

# **DEPARTMENT OF ELECTRICAL AND ELECTRONIC ENGINEERING**

## **SONARGAON UNIVERSITY**

Innovation | Research | Technology

### **Welcome**

Welcome to the Department of Electrical and Electronic Engineering (EEE) at Sonargaon University. We are committed to academic excellence through Outcome-Based Education (OBE), modern laboratory practice, research, innovation, and industry-oriented learning.

### **Department Overview**

Established in 2013, the department offers a four-year B.Sc. in Electrical and Electronic Engineering. The curriculum integrates Power Systems, Electronics, Communication Engineering, Control Systems, Digital Signal Processing, Microprocessors & Embedded Systems with emerging technologies including Artificial Intelligence (AI), VLSI Design, Robotics, Internet of Things (IoT), Smart Systems, and Machine Learning. Students benefit from experienced faculty, hands-on laboratories, seminars, industrial visits, and project-based learning.

### **Vision**

To be a center of excellence in Electrical and Electronic Engineering education by fostering innovation, research, and technological leadership, producing globally competent and ethically responsible engineers with expertise in AI, VLSI Design, Robotics, Embedded Systems, and Smart Technologies.

### **Mission**

- Deliver quality Outcome-Based Education (OBE).
- Promote research and innovation.
- Strengthen practical competence through laboratories and industry collaboration.
- Develop ethical, skilled, and lifelong learners.
- Contribute to sustainable technological advancement.

## Academic Program

**Degree:** Bachelor of Science (B.Sc.) in Electrical and Electronic Engineering

**Duration:** 4 Years

**Curriculum:** Outcome-Based Education (OBE)

## Research Focus

- ✓ Artificial Intelligence (AI)
- ✓ VLSI & IC Design
- ✓ Robotics & Automation
- ✓ Embedded Systems
- ✓ Internet of Things (IoT)
- ✓ Renewable Energy
- ✓ Smart Grid
- ✓ Signal Processing

## Facilities

- Modern Engineering Laboratories
- Project-Based Learning
- Technical Workshops
- Industry Visits
- Research Activities
- Student Project Exhibition

## Career Opportunities

Power & Energy | Semiconductor & VLSI | AI & Robotics | Embedded Systems | Multi-national Company | Telecommunications | Government | Research | Higher Studies | Entrepreneurship
